Frames sold separately.

The Smoove 4 RTS surface-mounted wall switch avoids cutting into drywall. This multi-channel, battery-operated solution is easy to install, and doesn't require an electrician. Available with seven decorative color frames, users can easily complement any décor.

And since it's surface mounted, there's no need to cut the drywall which makes installation quick and simple.

OVERVIEW:

The Smoove 4 RTS is a single channel wall switch to control nearby Radio Technology Somfy® (RTS) motorized window coverings. The switch is surface-mounted and battery-operated. Frames are available in multiple colors and finishes (sold separately).

DIMENSIONS:
